Indoor Vendors:

Welcome to the 2018 Lumby Days Celebration. We're inviting you to join our event and to let you know that we appreciate your participation in our community celebrations. We are also wishing you a positive experience and a chance to expand your business opportunities.

This year we are requesting that when you apply as a vendor, you disclose all the products that you are wanting to sell/display at your space. Eg. Application says: beauty products, and you have sewing, food products , jewellery etc. you will be asked to put away those items that are not disclosed on the application. This is for the respect of those who have entered with their disclosed products and that we don't end up with too many of the same products, even though they could be of different qualities as we want all of our vendors to be successful.

REGISTRATION: Please note that registering is **mandatory**, that you carry your own **Liability coverage** as Lumby Days Society does not cover your inventory or the operation of your business activities at this event. As a small business you will or should have the coverage already, eg: attached to your homeowners as a home based business. Check with your home insurance provider and they will supply you with the documentation to send along with the application. Email a copy of the **Vendor Application & Proof of Insurance** to : **LDVendors@shaw.ca** and then mail the application along with your payment to : Lumby Days Society, PO Box 303, Lumby, BC V0E2G0 Once received, you will be emailed a confirmation along with the space assigned for you.

We ask that you are responsible to bring your own chair. They are not supplied. You will be supplied only the space for your business, and you are to decorate that space as you like. The returning vendors have their spots assigned. **Enter your first and second choice** on the application, and we will do our best to comply. While setting up be respectful of the neighbouring space. I will be on the premises most of the time during this event. Thank you so much for your continued support.
